

SMS CASING FREESTAND

The new SMS Casing Freestand

The flexible system for indoor digital signage.

Meet and inspire your visitors with engaging content in the shopping mall, hotel lobby, at a trade fair or the airport. SMS Casing Complete Freestand has major advantages for the retail industry, among others.

Easy-going in most environments.

The Casing Freestand poses no special demands on the surroundings, since it can be placed on any even surface in most environments. The installation is simple and cost-effective.

Choose glass, or no glass.

When ordering, you can choose polycarbonate glass in front of the display to give protection, prevent the public from tampering with the display and allow for easy cleaning. Or, you can order a version without front glass.
