

FUNC SIDE SHELF

ARTICLE NUMBER

21920

Showing your best side

The stable and robust Func Side Shelf is a great choice for accessories, such as a laptop, during your presentation. It's the perfect choice when using the Func Mobile floorstands. The shelf works perfectly together with Func Mobile and Func Mobile Motorized.

The Func series is focused around functionality, and an excellent and reliable choice for larger displays or touch displays. The Func products are user-friendly and easy to install. Finish: Black or White.
